War is still upon us with war conditions prevailing. High prices for labor and everything that enters into the growing and shipping of plants prevail. However, I have reduced the price of some plants and raised the price of none. There will again be a great demand for plants and it will be wise to place your orders early. To meet this demand I have laid plans to satisfy my customers with plants raised from best seed obtainable. I thank you for past patronage and trust that I may have your orders again this year. Send cash, check, or money order. Avoid asking shipments sent C.O.D. if possible. For rush orders telephone Long Distance 9427 or wire Western Union.
